Dear David

New Foreign Patent Applications Corresponding to International Patent Application No.
PCT/GB98/01798 Multichannel Game

Following on from my letter of November 5th 1999, our agents are taking the necessary steps to file applications in Australia, Japan, USA, Canada and New Zealand and in order to complete the formalities in some of these countries; I enclose herewith some forms for your execution. I would be grateful if you could sign, date and witness these for 26th November and forward back to me at your earliest convenience (you will understand that there is more than one named inventor and I am co-ordinating all signatures to be signed on that date). Of course, if you have any queries then please do not hesitate to contact me.

Kind regards.

Yours sincerely,

Bianca Stuchfield
